

Event Volunteers Needed!

Thanks for your interest in volunteering with our event, supporting families affected by ALS! Our volunteers are truly the backbone of everything we do, and your willingness to help makes a meaningful difference in the lives of those in the ALS community.

Every volunteer position plays a crucial role in ensuring our event runs smoothly & successfully. We ask that all volunteers commit to being present for the entire duration of their selected shifts. Please note, sometimes we have to pivot when things shift onsite (weather, timing, etc.), and there may be a slight variance of what's needed at the event to ensure an incredible experience for those in attendance. To learn more about volunteer positions/shifts, please see below.

We deeply appreciate your generosity in giving your time and energy to support the ALS community!

Volunteer Positions

Set Up Crew — 2:00 pm-6:30 pm

- Arrive early to hang and set up event signage, tables & decor according to event layout
- Help organize various areas of activity as needed
- Ensure all supplies/items are in place prior to attendee arrivals
